

Belaire Range of Mobile Air-Conditioners

T3500

Introduction:

Powerful performance for larger motorhomes and caravans. Features an low plenum that suits free discharge or ducted air distribution systems. Colors can be customized to better complement exterior paintwork.

Features:

1. Low plenum with an elegant design that complements modern interiors. Features easy to read LED display showing temperature and mode.
2. Attractive streamlined canopy design to perfectly integrate with modern caravan and motorhome design carriage return.
3. Remote control with cooling, heating, dehumidifying, dry, sleep and timing functions.
4. Three speed, ultra-quiet, high efficiency indoor fan. The large outdoor axial fan draws air to exchange heat, leading to highly efficient, powerful performance.
5. Patented technology provides thermal protection to the evaporator.
6. Spiral retractable duct allows easy installation without cutting. Insulation eradicates condensation while optimizing power and performance.
7. Excellent reverse cycle performance allows the T3500 to operate in temperatures as low as as -5°C and up to $+50^{\circ}\text{C}$. Features intelligent defrosting technology.

Specification:

Power supply	1PH/230~240V/50Hz	Maximum input power	1500W
Cooling capacity	3500W	Maximum current	6.5 A
Power input cooling	1300W	Weight of outdoor unit	35.5 kg
Current cooling	5.6 A	Weight of plenum	2.8 kg
Heating capacity	3500W	Installation opening (mm)	360 x 360. Optional adapter required for 400 x 400
Power input heating	1200W	Outdoor unit dimension (mm)	998L x 680W x 340H
Current heating	5.2 A	Plenum dimension (mm)	557L x 536W x 43H
